CITY NEWS.

A NEW SAVINGS BANK. - The North River Savings Stank will open for business on Monday next, corner of Thirty Bank will open for construction of the vell-known advertising agent, is President, and Fred rick L. Vulte, for many years Deputy Sheriff, is Secretary of the Institution, both of whom are size age men. The Trustees are mainly well-known citizens of the Sixteenth and Twentieth Ward. tieth Wards

NEWSBOYS' CONCERT. Attention is again called to weboys' Home in Fultonest. This charity is one which is worthy the hearty copperation of all our citizens. The Newsboys Home has reponed hundreds of boys from lives of vice, and made of them useful and industrious young men. We hope the cencert will be largely patronized.

LECTUP.ES .- Prof. Gardner, the New-England scap man, before of the sensations of the lecture season. The style set the lecturer is novel. While he amoses his hearers with ster dotes, songs, poems, and bits of original moral reflection, because not omit to sell his patent article of soap.

COLLEGIATE EDUCATION IN OREGON .- A meeting In aid of the Pacific University at Forest Grove, Oregon, will he held on Sunday evening at the Madison-ave. Church, corner of Twenty-fourth at., to be addressed by Dr. Marsh and Senator Williams of Oregon, the Rev. Dr. Hopkins of Williams College, Williams M. Evarts, esq., the Rev. Dr. Hitcheock, and others. The project has the indersement of many of our leading elergymen and other educated men.

THE SAPETY OF THE ACADEMY OF MUSIC. - In his charge to the Grand Jury on Wednesday last, Recorder Hack ett called the aftertion of the flurers to the New Academy of wit called the aftention of the jurers to the New Academy of Musas as being an appropriate subject for inquiry as to the sacity of the walls. In view of this suggestion, the following facts and documents will be read with loterest. After the destruction of the Academy on the filts of May last, an Act was passed by the Legislature, requiring all plans and specifications for the creation of new buildings to be submitted to the office of the Department for the Survey and Inspection of Buildings. On the 4th of June following Mr. James H. MacGregor, Superintendent of Buildings, addressed the following letter to the Secretary of the American Institute of Architects.

Tects.

Defects No. 2 Fourth and Inspection of Buildings.

Defects No. 2 Fourth and New York, June 9, 1886.

Planny Dedicks, eq. Secretary American Institute of Architects.

Defects in A survey of the remaining wall of the Academy of Missle, comes of Fourteenth-s, and trying place, will be held on Missle, comes of Fourteenth-s, and trying place, will be held on Tectsday usa; 186 inst. at 3 o'clock p. m. I respectfully invite the Committee on Examination of the American Institute of Architects to attend at said time and place, and participate in such survey. Will Jourge to out of the American Listing of Architects and oblige! Very respectfully.

James M. MacGheron, Superintendent.

The following is the report framed by the Committee of Examination:

To James M. MacUntoon, eeg., Superintendent of Buildings, New

York.

Nu. In compliance with your request, the undersigned, Committee
Examination of the American Institute of Architects, having made
constal examination of the walls of the late Academy of Music,

The stone foundations onder the piers supporting the arch across the pracemoun being mixed higher the Committee consider it wis beneers my to take this wall, from its junction with the western the transmission of the transmission of the consideration with the two circuits eathers are also down to the same eved. This report is founded upon the understanding that the exterior walls are all to be reduced fine feet in high. The Committee consider that should it be determine to retain any portions of the walls not confouned, centent mortan of the best quality should be used in the new work.

RIGHARD UPSONS, D. LIENAY,
R. G. HATTIELD, FREDERIC DIAPRE,
New York, June 16, 4869. HENRY DULLAY.

A new survey was ordered by the Department on Mondalasi, to take ginen next Sciurday. The Superintendent has all invited Mesers, R. G. Hatfield and Thos. R. Jackson, architect of this city, to easist at the survey.

The Managers of the Atlantic Docks in Brooklyn severtise that they want no more boats sent there at present [Aunouncements.]

CONGRESS HAS MET, AND THE KNOX HOLIDAY HAT as Ovy-Two facts, of which the latter is the most important, to those who want en elegant and becoming hat. Visit either of Knox's stores a-that for the accommodation of his down-town patrons, No. 212 Broadway, and "ditto" far up-town residents, No. 532 Broadway—and gree can obtain just the article you require. Knox's stock of furs is also peculiarly attractive this season.

BOOKS DELIVERED at your Residence MERCANTILE LABRARY. Clinton Hell,

Fee circular, to be had at Library, and No. 59 Liberty-st, and No. 72 West Thirty-fourth-at.

A REMARKABLE CASE .- "A most extraordinary use, in that of Mr. C. H. Fitchette, of West Point has come to our Anowiedge. Mr. Fitchette, it appears, has been for a very long time efficied with a very bud throat, caused from estarrh. It gradually efficied with a very bad throat, caused from eatern. It gradually grew worse, till he was compelled to shandout the charge of his bus!

mess. The most eminent physicians were consulted in the case, among them being some of our most distinguished physicians in this sir, but all to no avail. He gradually grew verse, until account not aut—what nonrishment he tonk being in the shape of diquids; and at last it was with great difficulty he could weallow at all. In this condition of not being able to cat he was for three mouths. As a satural consequence he became a skeleton, and was fast, fo all appearances, dying. The physicians now gave him up as entirely incurable.

the way of the many remainable curve performed by Dr. cews, of this city, his friends determined to consoit this celebrated culture. The result was that in two weeks Mr. Fitcheste was able to entare hearty as ever, and on the let of August manuel charge of a basiness with restored beakilt. His recovery is no more an action has been beauty as ever, and on the let of August manuel charge of a basiness with restored beakilt. His recovery is no more an action has been beauty as ever, and on the let of August manuel charge of a basiness with restored beakilt. His recovery is no more an action has been beauty as ever, and on the let of August manuel charge of a basiness with restored beakilt. His recovery is no more an action to act of the sum of the sum

DRESSES

JUST RECEIVED.

We invite attention to the above Skirt, expressly adapted to the LATEST FASHIONS of LADIES DRESSES.

Combining many VISIBLE advantages over all others.

LACING IN FRONT, they fit closely and neatly to the form, and the tapes being sewed to the covering of the springs, instead of the metallic clarps used by all other makers, they are the STRONGEST, LIGHTEST, and most STYLISH SKIRT ever offered. O'SULLIVAN & GREIG,

STEINWAY & SONS'

GRAND, SQUARE AND UPRIGHT

Media at the Orac International parts of the World,
That the great superiority of these instruments is now universally
conceded is proven by the FACT that Mesca. Scienways "scales,
improvements, and peculiarities of construction" have been copied by
the great superiority of the manufactures of both hentisphere (As
CLORELT AS COULD BE DONE WITHOUT INFRINGEMENT OF PATESTS
RIBUTS) and that their instruments are used by the most eminent
plantes of Europe and America, who prefer them for their own pultic and private use whenever accessible. "Patent Agrade Arrangement" APPLIED DIRECTLY TO THE FULL HON FRAME.
STEINWAY & SONS direct special attention to their newly-inverted." UPRIGHT: PIANOS, with their "LYENSE RESONATOR"
and DOUBLE Iron Frame, patented Juno 8, 1809. This invention consists in providing the instrument (in addition 6 the first trans in Easter
of the soundboard) with an Iron brace frame to the Razas of 8, both
frames being cast in One Prince, thereby imparing a solicity of cop.

of instrument, e accordioard is supported between the two frames by an appar regulating its tension, so that the greatest possible degree of alpreducing capacity is obtained and regulated to the nicest de-The great volume and exquisite quality of tone, as well as elasticity of promptness of action, of these new Upright Plance, have glicited a unqualified admiration of the musical profession and all with have eard them. STEINWAY & SONS confidently offer these beautiful instruments the public, and invite every lover of music to call and examine

LETTER FROM THE CELEBRATED EUROPEAN PIANIST Court Plants to the Emper or Grands.

Massas Sysiem & Sons I cannot refrain from expressing to you may undisquised admiration of your IN NUMER MARKET BACK.

Massas Sysiem & Sons I cannot refrain from expressing to you may undisquised admiration of your IN NUMER MARKET BACK.

Lass Grac Plants (which I need at my last concert in Brunawick) and I desire nothing to the work in or such as to be able to perform upon one of these mastervices here. Send me, therefore, care of Johann David Hoerie & to., in St. Ferreburgh, one of your Geograf Grand Pinnos-of course at most moderate artist's price—and inform me, without delay, in which massure I am best remit the purchase money to you.

Respectfully yours. ALEXANDER DREYSCHOCK,

LETTER PROM WILLIE PAPE.
Court Planist to the Royal Family of England. Court Pinnst to the Royal Family of England.
LENDON England, Fob. 4, 1866.

Mesers, Strinwart & Sons: I am much pleased to see the rapid advances you are making, and the numerous certificates you have so deservedly obtained. Should my humble opinion be of any weight, you may add that I give my rous auxonators Pinnofert recital addring my four annual visits to Paris. I have used the Grand Pinnofert of all the first European manufacturer, but have found so IREVENTAMEN AGOAL TO THE ONE I PERCHASING OF TOU. In fact, I consider one of your insest Square Pinnos equal to any one of the Grand Pinnose manufactured here. Truly yours,
